

Jegysoft Inc.

*Customized Online Club Software -
Have it your way.*

Online Software For Yacht Clubs

Whether your club needs are 'Events' driven or you require a customized integrated 'Membership Solution', Jegysoft can provide your club with a cost-effective way to provide your members and guests online self-service functionality that is easy to use.

- **SailReg.ca** — provides a central location for all your Regatta/Race Management needs. Accommodates all event add-ons such as regalia etc. Per-event and per-season pricing.
- **Club Membership Solution** — provides a complete 100% customized online platform for membership management & fee renewals, online registrations, boat bookings, accounting/invoicing and ecommerce. All solutions can match your website Look & Feel.
- **ClubWorkTrac for Self-Help Clubs** — Provides an easy to use 'Contribution Tracking System' where members can search jobs & clubhouse tasks and manage contribution hours. Projects & tasks are controlled at Manager and/or Supervisor level providing detailed reporting, overall task management and convenient task/job delegation.
- **No matter what your club size, Jegysoft has a solution that will work for you.**

LORC - 2014
Lake Ontario Racing Council

LORC is an organization of nineteen Yacht Clubs located in the western end of Lake Ontario. The Council promotes competitive keelboat sailing in the Greater Toronto Area by organizing inter-club yacht racing for member clubs.
